FOREWORD

BY H.E. DR. NETUMBO NANDI-NDAITWAH
PRESIDENT OF THE REPUBLIC OF NAMIBIA

It is with great pride, optimism and a strong sense of purpose that I present this Business and Investment Booklet on the occasion of my State Visit to the People's Republic of China.

I extend warm greetings and appreciation to the Government and the People of the People's Republic of China for the enduring friendship and cooperation that have continued to define our bilateral relations since Namibia attained Independence in 1990.

As a daughter of Namibia who has dedicated her life to the service of our nation and its people, I have witnessed first-hand our country's remarkable journey from the struggle for liberation to the pursuit of prosperity, economic transformation and inclusive development. Throughout this journey, the people and Government of China have stood alongside Namibia as steadfast friends and trusted partners.

Our relationship is built on more than diplomatic engagement and economic cooperation. It is founded on a shared history of solidarity, mutual respect and support from the People's Republic of China during some of the most defining moments in our nations' histories. These bonds are rooted in a historical partnership that predates formal diplomatic relations; from the spirit of the Bandung Conference of 1955, through our common struggles against colonialism and apartheid, to our continued commitment to sovereignty, equality and development for all peoples. Over the past thirty-six years of diplomatic relations, these foundations have matured into a comprehensive partnership that continues to create opportunities for both our nations.

This State Visit takes place at an important moment in Namibia's development trajectory and in the evolution of Namibia-China relations. In the spirit of the Forum on China-Africa Cooperation (FOCAC), and building on commitments reaffirmed by African leaders, including Namibia's engagements during the 2024 FOCAC Summit, we approach this visit with a clear objective: to transform historical solidarity into practical, balanced and future-oriented cooperation that delivers tangible outcomes for our peoples.

As President of the Republic of Namibia, my foremost commitment remains improving the lives of our people, creating opportunities for our youth, empowering women,

H.E. DR. NETUMBO NANDI-NDAITWAH
President of the Republic of Namibia

strengthening communities, and building an economy that is inclusive, resilient and capable of delivering prosperity for future generations. This commitment is reflected in our national development priorities under Vision 2030 and the Sixth National Development Plan (NDP6), which focus on agriculture, education, health, housing, youth empowerment, sports and the creative industries, supported by strategic economic enablers including energy, mining, industrialisation, innovation, logistics and digital transformation.

My administration has identified seven priority areas, namely agriculture, sports, youth empowerment, quality education and training, creative industries, quality health and social welfare, and land, housing and sanitation. These priorities are supported by key economic enablers, including energy, mining, oil and gas, water, fisheries, transport and logistics, tourism, and industrialisation, which collectively form the foundation for driving inclusive growth, accelerating value addition, and advancing Namibia's sustainable economic transformation agenda.

Namibia stands today at a pivotal moment in its

development. We possess abundant natural resources, world-class renewable energy potential, a strategic geographic location, stable democratic institutions and a young and ambitious population. Yet our vision extends beyond the export of raw materials. We seek partnerships that advance local value addition, industrialisation, technology transfer, skills development and sustainable job creation. We seek partnerships that empower Namibians to participate meaningfully in the economy and contribute to national development.

In this regard, this State Visit represents a strategic advancement in Namibia-China cooperation towards a diversified, multisectoral and innovation-driven partnership focused on seven priority sectors that are central to Namibia's economic transformation agenda.

First, Green Energy Transition and Critical Minerals Beneficiation, leveraging Namibia's globally competitive solar, wind and green hydrogen resources together with its critical mineral endowments to advance industrialisation, value addition and contribute to global decarbonisation.

Second, Mining and Industrial Development, aimed at strengthening downstream processing, expanding manufacturing capabilities, promoting industrial parks and special economic zones, and creating stronger linkages between extractive industries and domestic value chains.

Third, Agro-Industrialisation and Water Security, through investments in agro-processing, climate-resilient agriculture, modern irrigation systems, desalination technologies and food value chains that improve food security and export competitiveness.

Fourth, Transport, Logistics and Trade Facilitation, focused on strengthening Namibia's position as a regional logistics hub through investments in ports, rail, roads, border infrastructure, warehousing, trade systems and regional connectivity.

Fifth, Digital Transformation and Innovation, through expanded digital infrastructure, e-governance, smart industries, emerging technologies and enhanced digital connectivity that support productivity and economic competitiveness.

Sixth, Education, Skills and Talent Development, aimed at expanding technical cooperation, vocational education, research partnerships, innovation ecosystems and knowledge exchange to empower our youth and build future-ready industries.

Seventh, Health and Pharmaceutical Cooperation, to improve healthcare delivery, strengthen local pharmaceutical manufacturing capacity and support resilient public health systems for long-term development.

Trade and investment relations between Namibia and China continue to deepen, with China emerging as one of Namibia's most significant trading and investment partners. While this cooperation has yielded important benefits, Namibia remains committed to promoting a more balanced and mutually beneficial economic relationship through expanded productive capacity and increased value addition across key sectors, including mining, agriculture and fisheries.

In this regard, Namibia welcomes the implementation, effective 1 May 2026, of China's zero-tariff market access arrangement for products originating from African countries for a period of two years. We regard this important initiative as a strategic opportunity to accelerate Namibia's industrialisation agenda by expanding value-added production, strengthening export readiness and attracting investment into agro-processing, manufacturing and mineral beneficiation. Our expectation is that this initiative will translate into practical outcomes that enhance productive capacity and strengthen trade between our two countries.

We also recognise China's continued openness to African markets and its contribution to South-South cooperation through initiatives such as FOCAC and the Belt and Road Initiative. Namibia stands ready to work constructively with Chinese partners to translate these frameworks into practical investments, industrial cooperation, joint ventures and enterprise development that create jobs and promote inclusive growth.

To our friends and partners in China, I extend a warm invitation to join Namibia on this journey. Together, we can build modern industries, strengthen food security, advance clean energy solutions, expand digital connectivity, improve healthcare outcomes and unlock opportunities that benefit both our peoples.

I firmly believe that the future of Namibia-China relations lies not only in government-to-government cooperation, but also in stronger partnerships among businesses, investors, innovators, universities and communities. Through these partnerships, we can unlock new opportunities for trade, investment and shared prosperity.

As we embark on this new chapter of cooperation, let us remain guided by the enduring values that have shaped our friendship: trust, mutual benefit, solidarity and our shared aspiration to build a better future for our peoples.

I invite you to discover the opportunities Namibia offers and to partner with us as we work together to realise our common aspirations for development, prosperity and human progress.

H.E. DR. NETUMBO NANDI-NDAITWAH
President of the Republic of Namibia

寄语

内通博·南迪 - 恩代特瓦博士阁下 纳米比亚共和国总统

值此我对中华人民共和国进行国事访问之际，我满怀自豪、满怀憧憬、怀揣清晰发展使命，为这本经贸投资手册作序。

我向中国政府与中国人民致以诚挚问候与衷心谢意。自1990年纳米比亚独立以来，历久弥坚的友好与合作，始终是两国双边关系的鲜明底色。

我土生土长于纳米比亚，毕生致力于服务国家与人民，亲眼见证祖国走过非凡历程：从争取民族解放，到谋求繁荣发展、推动经济转型、实现普惠包容发展。一路走来，中国政府和人民始终是纳米比亚坚定不移的挚友、值得信赖的合作伙伴。

中纳关系的根基，早已超越单纯的外交往来与经贸合作。两国情谊植根于共患难的团结历史，在纳米比亚历史诸多关键节点，中方始终给予我们平等尊重与鼎力支持。这份联结早在两国正式建交前便已缔结：从1955年万隆会议精神，到我们共同反抗殖民主义与种族隔离的并肩斗争，再到如今两国始终坚定捍卫各国主权、坚持各国一律平等、致力于全人类共同发展。建交三十六年来，这份深厚根基不断沉淀升华，成长为全方位合作伙伴关系，持续为两国创造发展机遇。

本次国事访问，恰逢纳米比亚发展进程、中纳关系演进的关键节点。我们恪守中非合作论坛精神，落实历届非洲各国领导人达成的合作共识，包括纳米比亚在2024年中非合作论坛峰会作出的各项合作承诺。本次访问目标清晰：将历史积淀的患难与共，转化为务实均衡、面向未来的合作，让两国人民收获实实在在的发展成果。

身为纳米比亚总统，我的首要使命始终是改善本国民生、为青年创造发展机遇、赋能女性群体、夯实基层社区建设，打造包容、抗风险、能够惠及子孙后代的可持续经济。这份初心充分体现在我国《2030发展愿景》与第六期国家发展规划划定的核心发展领域，重点涵盖农业、教育、医疗、住房、青年赋能、体育与创意产业；同时依托能源、矿产、工业化、科技创新、物流、数字化转型等关键经济支撑产业协同推进。

内通博·南迪 - 恩代特瓦博士阁下 纳米比亚共和国总统

本届政府划定七大优先发展领域：农业、体育、青年赋能、优质教育培训、创意产业、高品质医疗卫生与社会福利、土地住房及环境卫生。配套核心经济支撑板块包括能源、矿产、油气、水利、渔业、交通运输物流、旅游业、工业化建设。上述领域共同构成发展基石，助力实现普惠增长、延伸产业链增值、稳步推进纳米比亚可持续经济转型规划。

当下，纳米比亚正处在发展的关键转折点。我国自然资源储量丰厚、可再生能源开发潜力位居世界前列、地缘区位优势突出、民主制度稳定，国民青年人口占比高、发展干劲充足。但我们的发展愿景绝不局限于初级原材料出口。我们期盼开展深度合作，助力本土产业链增值、推进工业化落地、引进先进技术、培育专业技能、稳定创造可持续就业岗位；让纳米比亚民众深度参与本国经济建设，共同助力国家发展。

在此背景下，本次国事访问是中纳合作迈向全新战略阶

段的重要一步，双方将构建多元覆盖、多领域协同、创新驱动的伙伴关系，聚焦支撑纳米比亚经济转型的七大核心赛道：

一、绿色能源转型与关键矿产深加工。依托本国极具全球竞争力的太阳能、风能、绿氢资源，搭配丰富关键矿产储备，推进工业化与产业链增值，助力全球碳中和进程。

二、矿业与工业发展。完善矿产下游深加工体系、扩充本土制造产能、布局工业园区与经济特区，打通采掘产业与国内产业链的联动通道。

三、农产工业化与水资源安全。投资农产品深加工、气候适应性农业、现代化灌溉、海水淡化技术，完善食品全产业链，保障粮食安全、提升农产品出口竞争力。

四、交通物流与贸易便利化。投资港口、铁路、公路、边境配套、仓储、贸易服务体系及跨境互联互通基建，巩固纳米比亚区域物流枢纽地位。

五、数字化转型与创新发展。完善数字基础设施、推行电子政务、打造智慧产业、布局前沿科技、全面提升数字联通水平，赋能生产效率与经济竞争力。

六、教育、技能与人才培育。深化技术合作、发展职业教育、共建科研合作平台、打造创新生态、开展知识交流，赋能青年群体，布局适配未来发展的现代化产业。

七、医疗卫生与医药产业合作。完善基层医疗服务体系、壮大本土药品生产制造能力、搭建具备风险抵御力的公共卫生体系，支撑国家长远发展。

中纳双边贸易与投资持续深化，中国现已成为纳米比亚最重要的贸易与投资伙伴之一。现有合作已为两国带来可观红利，但纳米比亚仍致力于打造更加均衡、互利共赢的经贸格局：通过提升各核心产业（矿业、农业、渔业等）本土生产能力、延伸产业链增值，优化双边贸易结构。

在此，纳米比亚对中方自2026年5月1日起实施、为期两年的非洲原产产品零关税准入政策表示热烈欢迎。我们视这一重要举措为重大战略机遇：依托零关税政策扩大增值产品生产、完善出口配套能力，吸引资本投向农产品加工、制造业、矿产深加工领域，加速本国工业化进程。我们期待该政策落地见效，切实提升两国产业产能、深化双边贸易往来。

我们也高度认可中国持续向非洲开放市场，依托中非合作论坛、“一带一路”倡议等机制大力推动南南合作。纳米比亚愿同中方伙伴携手实干，将各类合作框架转化为落地投资、产业共建、合资项目与企业培育工程，创造就业岗位，推动普惠性经济增长。

我向所有中国友人、合作伙伴发出诚挚邀约，欢迎与纳米比亚携手同行，共赴发展新征程。我们携手共建现代化产业、筑牢粮食安全屏障、推广清洁能源方案、完善数字互联网络、提升全民医疗水平，挖掘惠及两国人民的无限机遇。

我坚信，中纳关系的未来，不仅依靠政府间协作，更离不开两国企业、投资者、创新从业者、高校与民间社群的深度合作。依托多元伙伴关系，我们能够持续开拓贸易、投资新赛道，共享繁荣发展成果。

迈入两国合作崭新篇章之际，让我们始终坚守铸就中纳友谊的珍贵初心：互信、互利、团结一心，共同憧憬两国人民更加美好的未来。

诚邀各界朋友发掘纳米比亚蕴藏的发展机遇，与我们并肩前行，携手实现共同的发展愿景，共促繁荣与人的全面进步。

内通博·南迪 - 恩代特瓦博士阁下

纳米比亚共和国总统

FOREWORD

BY HON. AMBASSADOR SELMA ASHIPALA-MUSAVYI, MP
MINISTER OF INTERNATIONAL RELATIONS AND TRADE - REPUBLIC OF NAMIBIA

It is my distinct honour to present this Business and Investment Booklet in support of the State Visit of H.E. Dr. Netumbo Nandi-Ndaitwah, President of the Republic of Namibia, to the People's Republic of China.

This Visit marks an important milestone in the longstanding and mutually beneficial partnership between Namibia and China. It also reflects our shared commitment to advancing economic cooperation, expanding trade and investment, and creating new opportunities for growth and prosperity for our peoples.

As Minister of International Relations and Trade, I firmly believe that diplomacy must deliver tangible economic benefits to our citizens. In an increasingly interconnected global economy, our foreign policy and economic diplomacy efforts must translate into increased trade, investment, technology transfer, skills development, industrialisation, and sustainable employment opportunities. This Business and Investment Booklet is therefore both an invitation and a roadmap for deeper commercial engagement between Namibia and China.

China is one of Namibia's most significant trading partners and a major source of investment, technology, and development cooperation. In 2025, China ranked as Namibia's second largest trading partner in terms of both exports and imports,

accounting for 18.1% of Namibia's total export share and 11.9% of total import share. Over the years, our cooperation has contributed to the development of key infrastructure, mining, energy, agriculture, health, and educational initiatives. As our relationship continues to evolve, Namibia seeks to build a new generation of partnerships centred on value addition, manufacturing, innovation, industrialisation, and mutually beneficial investment.

Under the leadership of President Netumbo Nandi-Ndaitwah, Namibia has embarked on an ambitious programme of economic transformation aimed at creating jobs, reducing poverty, strengthening productive sectors, and enhancing the competitiveness of our economy. Our national priorities are supported by a clear commitment to attracting quality investment that contributes to local

Amb. Selma Ashipala-Musavyi, MP
Minister of International Relations and Trade

industrial development, empowers communities, and creates opportunities for future generations.

Namibia offers investors a unique value proposition. We are a politically stable democracy with strong institutions, a rules-based legal framework, modern financial systems, and preferential access to regional and international markets. Through our membership in the Southern African Development Community (SADC), the Southern African Customs Union (SACU), and the African Continental Free Trade Area (AfCFTA), investors in Namibia gain access to a rapidly growing market of more than one billion consumers across Africa.

The opportunities for partnership are substantial. Namibia is positioning itself as a leading destination for renewable energy and green hydrogen development; a reliable supplier and processor of critical minerals required for the global energy transition; a logistics and transport hub serving the Southern African region; a modern

agricultural producer and agro-processing centre; and an emerging destination for digital innovation, manufacturing, and pharmaceutical production. Recent discoveries is envisaged to place Namibia among the oil and gas producing countries. These sectors represent not only opportunities for investment but also opportunities to build resilient value chains and long-term economic partnerships.

We are particularly interested in attracting investment that supports local beneficiation, industrial parks, special economic zones, technology transfer, research and development, vocational training, and the development of small and medium enterprises. We welcome partnerships that contribute to the growth of local industries while creating value for investors and strengthening economic cooperation between our two countries.

The Government of the Republic of Namibia remains committed to creating an enabling environment for business through policy certainty, investment facilitation, regulatory reforms, and close collaboration with the private sector. We are determined to ensure that Namibia remains a competitive, attractive, and trusted destination for international investment.

I encourage Chinese enterprises, financial institutions, industry leaders, and entrepreneurs to explore the opportunities presented in this booklet and to engage with Namibia as a strategic gateway to Southern Africa and the African continent.

Together, let us transform friendship into investment, cooperation into opportunity, and shared ambition into lasting prosperity for the peoples of Namibia and China.

Ambassador Selma Ashipala-Musavyi, MP
Minister of International Relations and Trade
- Republic of Namibia

外交与贸易部长致辞

塞尔玛·阿希帕拉 - 穆萨维伊议员大使阁下
纳米比亚国际关系与贸易部部长

我十分荣幸为总统内通博·南迪 - 恩代特瓦博士访华配套推出这本商务投资手册。

此次访问是中纳长期互利伙伴关系的重要里程碑，彰显两国深化经贸合作、拓展贸易投资、创造国民增长繁荣新机遇的共同决心。

身为国际关系与贸易部长，我坚信外交必须为本国公民带来实实在在的经济收益。在全球经济互联互通不断加深的当下，外交政策与经济外交工作必须落地为贸易增量、外资引进、技术转让、技能培训、工业化与可持续就业岗位。因此，这本手册既是邀约，也是深化中纳商业往来的行动路线图。

中国是纳米比亚核心贸易伙伴，也是投资、技术与发展合作的主要来源国。2025 年，无论进出口总额，中国均位列纳米比亚第二大贸易伙伴，占纳米比亚出口总额 18.1%、进口总额 11.9%。多年来，双边合作助力本国基建、矿业、能源、农业、医疗、教育领域落地大量项目。随着双边关系持续升级，纳米比亚期待打造新一代合作模式，聚焦产业链深加工、制造业、创新、工业化与互惠投资。

在内通博·南迪 - 恩代特瓦总统领导下，纳米比亚启动宏大经济转型计划，旨在创造就业、减少贫困、夯实实体产业、提升国家经济竞争力。本国发展规划明确鼓励优质外资落地，带动本土工业发展、赋能社区、为后代创造发展机遇。

纳米比亚具备独特投资优势：政治稳定、民主制度完善、法律体系成熟、现代金融体系完备，享有区域及国际市场优惠准入。凭借南部非洲发展共同体（南共体 SADC）、南部非洲关税同盟（SACU）、非洲大陆自由贸易区（AfCFTA）成员国身份，落户纳米比亚的投资者可覆盖非洲超十亿快速增长的消费市场。

双边合作空间广阔：纳米比亚正全力打造全球领先的可再生能源与绿氢开发基地、全球能源转型关键矿产稳定供应与加工中心、服务南部非洲的交通物流枢纽、现代化农业生产与

塞尔玛·阿希帕拉 - 穆萨维伊议员大使 阁下
纳米比亚国际关系与贸易部部长

农产品加工中心，以及新兴数字创新、制造、制药产业聚集地。近期油气资源勘探成果，有望让纳米比亚跻身产油国行列。

上述行业不仅蕴藏投资机遇，更能助力构建稳定产业链、缔结长期经济合作。我们尤其欢迎能够带动本土深加工、工业园区、经济特区、技术转移、研发、职业培训、中小微企业发展的外资项目。期待各类合作助力本土产业壮大，同时为投资者创造收益，深化两国经贸合作。

纳米比亚政府持续通过稳定政策、投资便利化、监管改革、政企协同，打造优质营商环境，确保本国始终具备竞争力、吸引力，成为值得信赖的国际投资目的地。我诚挚邀请中国企业、

金融机构、行业龙头与创业者研读手册，以纳米比亚为通往南部非洲乃至整个非洲大陆的战略门户，深化合作。

让我们携手，将友谊转化为投资、合作转化为机遇、共同愿景转化为两国人民长久繁荣。

塞尔玛·阿希帕拉 - 穆萨维伊议员大使 阁下
纳米比亚国际关系与贸易部部长

FOREWORD

BY H.E. TONATA ITENGE-EMVULA

AMBASSADOR OF THE REPUBLIC OF NAMIBIA TO THE PEOPLE'S REPUBLIC OF CHINA

It is with great anticipation and honour that I am conveying this message on the occasion of the State Visit by H.E. Dr Netumbo NandiNdaitwah, the President of the Republic of Namibia, to the People's Republic of China. Highlevel exchanges between our two countries are the bellwether of the health of our bilateral ties and the key marker of our comprehensive strategic partnership.

Our diplomatic relations, established on 22 March 1990 a day after Namibia's independence, occupy a prominent place in our national historical record. China was one of the few foreign countries that transformed its relationship with SWAPO from unilateral political support to a formal diplomatic relationship and opening an embassy in Windhoek. This legacy is imbued with the spirit of comradeship and friendship that has animated our relations over the years.

As the world's second-largest economy, China is on a steady growth path of around 5 percent a year - a source of continuing stability and real opportunity for Namibia. I have the honour to extend a warm welcome to our Namibian business leaders, innovators, and visionaries as they arrive in China. Your presence represents a commitment, not just to a visitation, but to Namibia's economic advancement for her people.

I thank, in particular, our Chinese host government officials and business leaders, for whom the doors and networks of this delegation have opened. Your continued partnership promises a new and robust reality for Namibia-China cooperation, in the spirit of our founders.

WHY WE ARE HERE

The delegation embodies Namibia's collective ambitions. It cuts across all sectors that will define our future on priority sectors of agriculture and agro-processing; renewable energy and green hydrogen; mining and critical minerals value addition; tourism; logistics; education (TVET) and the Digital economy.

With its continuous growth, China is considered the second-largest economy in the world, has a strong capacity to develop cutting-edge technology, a strong manufacturing base, and provides access to an enormous customer base. For these reasons alone, China would be a logical partner for Namibia's resource potential and development goals.

While we appreciate all formal engagement opportunities

H.E. TONATA ITENGE-EMVULA

Ambassador of Namibia to the Republic of China

in China, our main focus is to continue building on an already established mutually beneficial relationship to leverage our current partnerships, create jobs for Namibian youth, transfer skills/knowledge from China, and ensure that Namibia's natural resource base generates long-term domestic economic benefit.

A STRATEGIC MOMENT

As we gather here in China from June 6, 2026, the world economy is undergoing an unprecedented transformation. Namibia has assumed the mantle of being the business environment most conducive to political stability, legal certainty, and investor confidence. Our status as the gateway to Southern Africa, our Atlantic coastline that is entirely unspoilt, and our massive renewable resources provide a perfect setting and backdrop for sustainable investment.

We acknowledge the meaningful overlap between China's two major principal initiatives, the Forum on China Africa Cooperation (FOCAC), the Belt and Road Initiative (BRI) and the South -South Cooperation and our own Vision 2030 and Second Harambee Prosperity Plan and National

Development Plans (NDP6). This visit of this High-level delegation is a materialisation of that spirit of shared purpose that seeks a mutually practical partnership between Chinese capital and technological innovation with Namibia's natural resources and dynamic human resources, so that our respective peoples can reap the rewards of real substance.

OUR COMMITMENT TO YOU

As your Ambassador, I assure you that my team and I have crafted a programme of events from which you will be able to take away tangible, measurable results, including meeting with provincial government officials, visiting industrial parks, and conducting business to business (B2B) exchanges. We have worked to create opportunities for your participation during this visit to achieve the greatest possible productive output. To our Namibian delegation, I urge you to represent yourselves confidently, clearly, and with a sense of purpose as representatives of a nation in growth. To our Chinese counterparts, may you see Namibia not merely as an extractive source but a long-term partner in manufacturing, technology and development.

A CALL TO ACTION

Over the coming days, let us work earnestly to achieve substantive results by converting conversations into contracts and transforming great visions into sustainable projects, which include new steel and solar power infrastructure, increased knowledge, enhanced food production, and greater industrial capacity. Let's write together the next chapter in the decades-long friendship, one of productivity, energy, and shared prosperity. Embracing the spirit of Ubuntu, which emphasises our interconnectedness, let's not only build businesses but also create bridges between our people.

Welcome to China.

H.E. TONATA ITENGE-EMVULA

Ambassador of Namibia to the Republic of China

大使寄语

托娜塔·伊滕格 - 埃姆武拉阁下 纳米比亚共和国驻华大使

欣逢纳米比亚共和国总统内通博·南迪 - 恩代特瓦博士对华进行国事访问，我满怀期待与荣幸致此寄语。两国高层交往是双边关系良性发展的风向标，也是中纳全面战略伙伴关系的重要标识。

1990年3月22日，纳米比亚独立第二天，中纳两国正式建交，这段外交关系在两国史册中留下浓墨重彩的一笔。中国是少数率先将与西南非洲人民组织的单边政治支持升级为正式外交关系，并在温得和克设立大使馆的国家之一。这份历史积淀饱含同志情谊与深厚友谊，长久滋养着两国交往。

作为全球第二大经济体，中国经济保持年均5%左右的平稳增长，持续为纳米比亚注入稳定动能，带来实实在在的发展机遇。

热烈欢迎纳米比亚商界领袖、创新从业者与行业远见者来华。各位此行，不止是一次访问，更承载着为本国人民推动纳米比亚经济发展的使命担当。

我特别向中方东道主政府官员与商界同仁致以谢意，正是依托各位搭建的渠道与人脉，本次代表团得以顺利开展各项交流。秉持两国先辈缔结友好的初心，双方持续深化合作，必将为中纳务实协作开辟强劲全新发展格局。

此行初衷
本次代表团承载着纳米比亚全社会共同的发展愿景，覆盖决定国家未来的全部重点优先产业领域：农业与农产品深加工、可再生能源与绿氢、矿产开采及关键矿产增值加工、旅游、物流、职业技术教育、数字经济。

中国经济稳步发展，稳居世界第二大经济体，拥有顶尖前沿技术研发实力、完备雄厚的制造业基础与庞大消费市场。单就这些优势而言，中国便是契合纳米比亚资源禀赋与发展目标的天然合作伙伴。

我们珍视在华各类官方交流契机，但此行核心目标是深耕早已成型的互利合作关系，依托现有合作基础为本国青年创造就业岗位、引进中方技术知识，让纳米比亚本土自然资源长期为本国经济创收。

战略契机
2026年6月6日起，我们齐聚中国，当下全球经济正经

托娜塔·伊滕格 - 埃姆武拉阁下
纳米比亚共和国驻华大使

历前所未有的变革。纳米比亚营商环境优势突出，政局稳定、法制完善、投资者信心充足；作为南部非洲门户国家，拥有原生态完整的大西洋海岸线，可再生能源储量充沛，为可持续投资提供绝佳发展沃土。

我们注意到，中国两大核心合作平台——中非合作论坛、“一带一路”倡议，以及南南合作机制，与纳米比亚《2030发展愿景》《第二期团结繁荣计划》、第六期国家发展规划高度契合。本次高级别代表团访问，正是践行双方共同发展愿景的落地实践：依托中方资金、科技创新，结合纳米比亚自然资源与活力充沛的人力资源，打造务实共赢伙伴关系，让两国人民共享实打实的发展红利。

我方郑重承诺
身为纳米比亚驻华大使，我向各位保证，我与团队精心筹备了整套交流行程，力求促成可落地、可量化的合作成果，

内容包括会晤各省府官员、实地走访产业园区、开展企业间对口商贸洽谈。我们全力搭建交流平台，保障各位在本次访问中收获最大化务实合作成效。

我寄语纳米比亚代表团成员：作为蓬勃发展国家的代表，请大家自信、清晰、目标明确地展现本国风貌。也希望中方合作伙伴看待纳米比亚时，不只将其视作资源供给地，更视其为制造业、科技、发展领域的长期合作伙伴。

行动倡议
未来数日，让我们携手实干、务求实效，把洽谈沟通转化为合作合约，将宏伟蓝图落地为可持续项目，涵盖新建钢铁产业、光伏发电基础设施、深化技术互通、提升粮食产能、壮大工业体系等领域。

数十载中纳友谊新篇章，由你我共同书写，篇章主题是产业发展、能源合作、共同繁荣。秉持彰显人类休戚与共的乌班图精神，我们不仅要携手兴业，更要搭建两国人民心灵相通的友谊桥梁。

欢迎各位来到中国！

托娜塔·伊滕格 - 埃姆武拉阁下
纳米比亚共和国驻华大使

Namibia-China Bilateral Relations

The Republic of Namibia and the People's Republic of China established diplomatic relations on 22 March 1990, one day after Namibia attained Independence. Since then, the relationship has developed into one of Namibia's most enduring and strategically important international partnerships.

Built upon solidarity during Namibia's liberation struggle, mutual respect for sovereignty, and a shared commitment to development, the partnership has continued to evolve in response to the changing priorities of both countries. A significant milestone was reached in 2018 when bilateral relations were elevated to a Comprehensive Strategic Cooperative Partnership, reflecting the depth, maturity and long-term nature of cooperation between Namibia and China.

Today, Namibia and China cooperate across virtually every sector of national development, including trade and investment, infrastructure, mining, agriculture, energy, education, health, science and technology, culture, defence and people-to-people exchanges.

As both countries continue to champion multilateralism and South-South cooperation through the United Nations and the Forum on China-Africa Cooperation (FOCAC), the partnership has become an important pillar of Namibia's foreign policy and economic diplomacy.

Economic Cooperation

Economic cooperation has emerged as one of the defining pillars of Namibia-China relations and continues to play an increasingly strategic role in advancing Namibia's development agenda. Over the years, the partnership has evolved beyond traditional diplomatic engagement into a dynamic economic relationship anchored in trade, investment, industrial development, infrastructure cooperation, and market integration.

China is currently Namibia's second-largest trading partner globally and one of the country's leading sources of foreign direct investment. Bilateral trade has grown significantly over recent years, increasing from N\$25.9 billion in 2023 to N\$36.9 billion in 2024, before reaching a record high of N\$40.6 billion in 2025, representing growth of approximately 10.2 percent over the previous year. Namibia's exports to China amounted to N\$22.7 billion in 2025, while imports stood at N\$17.9 billion, resulting in a trade surplus of N\$4.8 billion in Namibia's favour. China accounted for approximately 18.1 percent of Namibia's total exports and 11.9 percent of total imports in 2025, underscoring the importance of the Chinese market to Namibia's external trade performance.

Chinese enterprises have invested substantially across strategic sectors of the Namibian economy, including mining, renewable energy, manufacturing, construction, transport and infrastructure development, contributing to employment creation, government revenue mobilisation, technology transfer and industrial expansion. At the same time, Namibia continues to strengthen its position as a reliable supplier of quality products to the Chinese market.

A notable milestone in this partnership is Namibia's distinction as the first African country to export beef to China. This achievement has paved the way for continued engagement to expand market access for additional products, including sheep and goat meat, grapes, seafood, aquaculture products, and other high-value agricultural commodities. These opportunities hold significant

potential to diversify Namibia's export base and enhance participation in regional and global value chains.

As Namibia advances its industrialisation agenda and seeks greater value addition and economic diversification under the priorities of the Eighth Administration, both countries are working to deepen a more balanced and mutually beneficial economic partnership. This includes enhanced cooperation in investment promotion, productive capacity development, manufacturing, technology transfer, and skills development.

The recent introduction of China's zero-tariff market access arrangement for qualifying African exports creates a timely opportunity for Namibia to expand value-added exports, attract new investment into productive sectors, and accelerate the development of domestic industries. Products such as beef, mutton, goat meat, seafood, grapes and other agricultural products now stand to benefit from improved access to one of the world's largest consumer markets, positioning Namibia to move beyond reliance on primary commodity exports and towards more diversified and sustainable economic growth.

People-to-People Cooperation

People-to-people cooperation remains one of the strongest pillars of Namibia-China relations.

Every year, China provides scholarships, professional training opportunities and technical exchanges for Namibian students, government officials and professionals. Academic partnerships between Namibian and Chinese universities continue to expand, while the Confucius Institute at the University of Namibia has become an important platform for language learning and cultural exchange.

These programmes are helping to develop the skilled workforce required to support Namibia's long-term economic transformation.

Development and Technical Cooperation

The Forum on China-Africa Cooperation (FOCAC) remains the principal platform guiding Namibia-China cooperation, providing the framework for collaboration in trade, infrastructure, industrialisation, agriculture, health, education, peace and security, and sustainable development.

Over the past three decades, cooperation with China has delivered tangible development outcomes that have improved livelihoods and strengthened Namibia's productive capacity.

Chinese grant assistance has supported major national infrastructure projects, including the expansion of the

Hosea Kutako International Airport Road, the construction of schools and social housing, rural water infrastructure, satellite technology, and police accommodation.

China has also remained an important partner in drought relief, technical cooperation and skills development, while Chinese medical teams have served communities across Namibia for nearly three decades.

These achievements demonstrate how political trust has translated into practical cooperation that supports Namibia's national development agenda.

Political relations and high-level exchanges

Political relations between Namibia and China continue to be characterised by regular high-level exchanges, close diplomatic engagement and mutual support on issues of strategic importance. These engagements provide strategic direction for bilateral cooperation while reinforcing the strong political trust that underpins the Comprehensive Strategic Cooperative Partnership.

In April 2026, Hon. Selma Ashipala-Musavyi, Minister of International Relations and Trade, undertook an official visit to the People's Republic of China to strengthen bilateral relations and deepen economic cooperation. The visit focused on promoting trade and investment, attracting foreign direct investment into priority sectors, and advancing Namibia's industrialisation, beneficiation and economic diversification agenda. During the visit, the Minister held official discussions with H.E. Wang Yi, Minister of Foreign Affairs, and H.E. Wang Wentao, Minister of Commerce, reaffirming the shared commitment of both countries to expanding practical cooperation across mutually beneficial sectors.

This momentum was further strengthened by the official visit to Namibia of H.E. Zhu Yongxin, Vice Chairperson of the National Committee of the Chinese People's Political Consultative Conference (CPPCC), in May 2026. The visit reinforced parliamentary cooperation between the CPPCC and the Parliament of Namibia while creating new opportunities to deepen collaboration in areas including economic development, education, science, technology and people-to-people exchanges.

These regular high-level engagements continue to strengthen political confidence, expand practical cooperation and ensure that Namibia-China relations remain responsive to the evolving development priorities of both countries.

纳米比亚与中国双边关系

纳米比亚共和国与中华人民共和国于 1990 年 3 月 22 日建交，距纳米比亚独立仅隔一日。自建交以来，两国关系逐步发展为纳米比亚持续时间最长、战略意义最为重大的国际伙伴关系之一。

两国伙伴关系植根于纳米比亚民族解放斗争时期结下的团结情谊，以相互尊重国家主权、共同致力于发展事业为根基，并持续顺应两国发展重心的变化不断深化。2018 年，双边关系正式提升为全面战略合作伙伴关系，标志着中纳合作深度、成熟度与长期发展属性迈上全新台阶中国关键词。

如今，纳米比亚与中国在国家发展几乎所有领域开展合作，涵盖贸易投资、基础设施、矿业、农业、能源、教育、医疗卫生、科技、文化、国防及人文交流。

两国始终依托联合国与中非合作论坛（FOCAC）机制，共同倡导多边主义、推进南南合作。中纳伙伴关系现已成为纳米比亚外交政策与经济外交的重要支柱中华人民共和国外交部。

经济合作

经济合作是中纳关系的核心支柱之一，在助力纳米比亚落实发展议程方面的战略作用持续凸显。多年来，双方合作早已超越传统外交往来，形成以贸易、投资、产业发展、基建合作、市场融合为支撑的活力充沛的经济纽带。

当前，中国是纳米比亚全球第二大贸易伙伴，也是该国主要外商直接投资来源国之一。双边贸易规模近年大幅增长：2023 年贸易额为 259 亿纳米比亚元，2024 年增至 369 亿纳米比亚元，2025 年创下 406 亿纳米比亚元历史新高，同比增幅约 10.2%。2025 年，纳米比亚对华出口额 227 亿纳米比亚

元，自华进口额 179 亿纳米比亚元，实现 48 亿纳米比亚元贸易顺差。当年中国占纳米比亚总出口额的 18.1%、总进口额的 11.9%，充分体现中国市场对纳米比亚外贸发展的关键价值。

中资企业在纳米比亚经济战略领域开展大规模投资，覆盖矿业、可再生能源、制造业、建筑、交通基建等板块，为当地创造就业、增加政府财税、推动技术转让、促进产业扩容。与此同时，纳米比亚持续巩固自身定位，成为向中国市场输送优质产品的稳定供应方。

双边合作标志性成果之一，是纳米比亚成为首个向中国出口牛肉的非洲国家。这一突破为两国进一步拓展其他农产品对华准入渠道奠定基础，包括绵羊肉、山羊肉、葡萄、海鲜、水产及其他高附加值农牧产品。相关合作潜力巨大，有助于纳米比亚丰富出口品类、更深层次融入区域及全球产业链。

纳米比亚第八届政府以推进工业化、提升产品附加值、推动经济多元化为核心施政方向，在此背景下，两国正携手深化更均衡、互利共赢的经济伙伴关系，重点强化投资促进、产能建设、制造业、技术转移与人才培养领域合作。

中国近期出台的非洲零关税输华产品准入政策，为纳米比亚带来难得机遇：既可扩大高附加值产品出口、吸引生产领域新增投资，也能加速本土产业发展。牛肉、羊肉、山羊肉、海产品、葡萄等农产品均可享受全球超大消费市场的优惠准入条件，助力纳米比亚摆脱单一初级资源出口依赖，迈向多元、可持续的经济增长模式。

人文交流合作

人文交流是支撑中纳关系最稳固的支柱之一。

中国每年为纳米比亚留学生、政府官员及专业技术人员

提供奖学金、职业培训与技术交流项目。

纳中高校学术合作持续拓展，纳米比亚大学孔子学院已成为两国语言学习与文化交流的核心平台。

上述项目持续培育专业人才队伍，为纳米比亚长期经济转型提供人力支撑。

发展与技术合作

中非合作论坛是引领中纳合作的核心平台，为双方在贸易、基建、工业化、农业、卫生、教育、和平安全、可持续发展等领域协作搭建制度框架中华人民共和国外交部。

三十余年来，中纳合作落地大量实打实的发展成果，改善民生、夯实纳米比亚生产发展能力。

中方无偿援助支持纳米比亚多项国家级重大基建工程，包括霍齐亚·库塔科国际机场道路扩建、学校与保障性住房建设、农村供水设施、卫星技术配套项目、警务人员营房等工程。

在旱灾救灾、技术合作、技能培训领域，中国始终是纳米比亚重要合作伙伴；中国援纳医疗队已在纳米比亚各地服务近三十年。

一系列合作成果充分证明，双方政治互信已转化为助力纳米比亚国家发展规划的务实行动。

政治关系与高层交往

中纳政治关系以常态化高层互访、紧密外交对接、重大战略议题相互支持为鲜明特征。高层往来为双边合作划定战略方向，夯实全面战略合作伙伴关系赖以存续的坚实政治互信。

2026 年 4 月，纳米比亚国际关系与贸易部长塞尔玛·阿希帕拉 - 穆萨维女士正式访华，旨在巩固双边关系、深化经济合作。此次访问重点推动贸易投资、吸引外资投向重点产业，落实纳米比亚工业化、资源增值、经济多元化发展规划。访华期间，纳部长同中国外交部长王毅、商务部部长王文涛举行正式会谈，重申两国将持续扩大各互利领域务实合作。

2026 年 5 月，全国政协副主席朱永新出访纳米比亚，进一步夯实双边合作势头。此次访问深化全国政协与纳米比亚议会间交流，并为经济发展、教育、科技、人文往来等领域拓展合作创造新空间。

常态化高层互动持续增进双方政治互信、拓展务实合作，确保中纳关系始终贴合两国不断演进的发展需求。

The Namibia Business Delegation to the People’s Republic of China aims to advance Namibia’s economic development through trade, investment, technology transfer, industrial cooperation, and sustainable partnerships. Accompanying Her Excellency, the President of the Republic of Namibia, during the State Visit to China from 6–10 July 2026, the delegation serves as a strategic platform to strengthen economic diplomacy and deepen relations with one of Namibia’s most important global partners.

China plays a significant role in Namibia’s growth through trade, infrastructure, investment, technology, and skills development. The mission will create opportunities for Namibian businesses and institutions to engage with Chinese government bodies, investors, state-owned enterprises, private companies, research institutions, and development partners.

The delegation includes representatives from key sectors such as agriculture, fisheries, tourism, manufacturing, healthcare, ICT, education, renewable energy, infrastructure, logistics, and professional services. Its objectives are to attract investment, expand export markets, promote Namibian products and services, and establish strategic partnerships that support productivity and competitiveness.

A key focus is supporting Namibia’s industrialisation agenda through technology transfer, local manufacturing, value addition, and stronger supply chains. The mission will also encourage collaboration in innovation, digital transformation, artificial intelligence, renewable energy, healthcare technologies, research, and skills development. Through business meetings, investment forums, and sector engagements, the delegation seeks practical outcomes that support economic diversification, job creation, sustainable growth, and the achievement of Namibia’s Vision 2030 goals.

纳米比亚赴华商务代表团随总统于 2026 年 7 月 6 日至 10 日对中国开展国事访问，依托贸易、投资、技术转让、产业合作与可持续伙伴关系，助力纳米比亚经济发展。代表团是深化经济外交、对接纳米比亚最重要全球合作伙伴的战略平台。

中国通过贸易、基建、投资、技术与人才培育，深度参与纳米比亚经济增长。本次出访将搭建渠道，推动纳米比亚企业与机构对接中国政府部门、投资方、国企、民企、科研院所及发展合作方。

代表团汇聚农业、渔业、旅游、制造、医疗、信息通信、教育、可再生能源、基建物流、专业服务等核心行业代表，核心目标包括吸引外资、拓宽出口渠道、推广纳米比亚商品服务、搭建战略伙伴关系，提升本土产业生产效率与竞争力。

出访重点依托技术转移、本土制造、产业链增值、完善供应链，推进纳米比亚工业化规划；同时推动创新、数字化转型、人工智能、可再生能源、医疗技术、科研与人才培育领域合作。

通过商务洽谈、投资论坛、分行业对接活动，代表团力求落地务实成果，推动经济多元化、创造就业、实现可持续增长，助力本国《2030 远景规划》目标落地。

FDI Attracted	 NAD 35.5 billion (2024)	GDP Growth	 +3.7% (2024)
Main Economic Sectors	 Mining, Agriculture, Tourism and Retail Trade	HDI	 NAD 0.665 (2025)
Total Imports	 N\$10.8 billion (September 2025)	Total Exports	 N\$7.4 billion (September 2025)

On the western edge of the country, the landscape is defined by the convergence of the Atlantic Ocean and the world's oldest desert. The region experiences constant interaction between these natural forces. Intense sunlight dominates the desert, limiting vegetation to only the most resilient species, plants capable of withstanding extreme heat during the day and cold temperatures at night. This is Namibia, recognized as the second least densely populated country in the world.

In addition to its mystical features, Namibia presents strong investment prospects, notably in the energy (oil & gas, green hydrogen), mining, and logistics sectors, supported by its political stability, robust infrastructure, and a government committed to attracting foreign direct investment (FDI). The country was ranked first in Africa for greenfield FDI performance in 2025.

Quick Facts About Namibia

首都	 温得和克	官方语言	 英语
国土面积	 824,292 平方公里	通用语言	 奥万博语、科埃科戈瓦布语、南非荷兰语、奥吉赫雷罗语、鲁昆瓦利语、西洛济语、德语、鲁马尼奥语、茨瓦纳语、辛布库舒语、桑族语言及其他少数民族语言
货币	 纳米比亚元 (NAD/N\$) , 与南非兰特 1:1 挂钩	独立日	 1990 年 3 月 21 日

纳米比亚西临大西洋，坐拥全球最古老沙漠，海洋与荒漠地貌交织。荒漠日照强烈，仅耐旱植被能够存活，昼夜温差悬殊。该国是全球人口密度第二低的国家。

除独特自然风貌外，纳米比亚投资前景广阔，重点产业涵盖能源（油气、绿氢）、矿业、物流；本国政局稳定、基建完善，政府大力吸引外商直接投资，2025 年绿地投资表现位居非洲第一。

纳米比亚 国家概况

Mission Itinerary : 06-10 July 2026

DAY 1	TIME	ACTIVITY	HOST	LOCATION
Sunday, 5 July 2026	Morning	Departure of H.E. the President from Windhoek, Namibia to China	Namibia	Shanghai

DAY 2	TIME	ACTIVITY	HOST	LOCATION
Monday, 6 July 2026	Morning	Arrival of H.E. the President and Head of Delegation	Namibian Embassy	Shanghai
	Afternoon	Briefing by Ambassador Tonata Itenge-Emvula	Namibian Embassy	Hotel TBC
	Afternoon	Bilateral Meeting with Shanghai Municipal Leaders	Namibian Embassy	Shanghai
	Afternoon	Namibia-Shanghai Business Forum	Embassy & Financial Institutions	Shanghai
	Evening	Sightseeing in Shanghai	Chamber	Shanghai

DAY 3	TIME	ACTIVITY	HOST	LOCATION
Tuesday, 7 July 2026	Morning	Departure from Shanghai to Shenzhen/Guangzhou	Embassy of Namibia	Flight/Train
	Afternoon	Bilateral Meeting with Shenzhen Leaders	Host / Namibian Embassy	Shenzhen
	Afternoon	Visit to CGN Daya Bay Nuclear Power Plant	CGN, Mines & Energy, Embassy	Shenzhen
	Afternoon	Visit to Huawei R&D Centre and Smart City	Huawei Technology	Shenzhen
	Evening	Namibia-China Business Networking Cocktail	Host	Shenzhen

DAY 4	TIME	ACTIVITY	HOST	LOCATION
Wednesday, 8 July 2026	Morning	Departure from Shenzhen to Chengdu	Namibian Embassy	Flight/Train
	Morning	Bilateral Meeting with Sichuan Provincial Leaders	Host / Namibian Embassy	Chengdu
	Afternoon	Namibia-Chengdu Agriculture Luncheon	Host	Chengdu
	Afternoon	Roundtable: Agriculture, Water, Food Processing, Tourism	Embassy & Chamber	Chengdu
	Evening	Departure from Chengdu to Beijing	Namibian Embassy	Chengdu

出访行程总览 2026 年 7 月 6 日—10 日

第一天 2026 年 7 月 5 日， 星期日	时段	活动内容	主办方	地点
	上午	纳米比亚总统阁下从纳米比亚温得和克启程飞往中国上海	纳米比亚	上海

第二天 7 月 6 日（周一）	时段	活动内容	主办方	地点
	上午	总统阁下及代表团全体成员抵达上海	纳米比亚驻华大使馆	上海
	下午	托纳塔·伊滕盖 - 埃姆武拉大使召开情况介绍会	纳米比亚驻华大使馆	待定酒店
	下午	与上海市领导举行双边会谈	纳米比亚驻华大使馆	上海
	下午	纳米比亚 — 上海经贸论坛	纳米比亚驻华大使馆、金融机构	上海
	晚间	上海城市观光	商会	上海

第三天 7 月 7 日（周二）	时段	活动内容	主办方	地点
	上午	从上海前往深圳 / 广州	纳米比亚驻华大使馆	飞机 / 高铁
	下午	与深圳市领导举行双边会谈	中方接待方、 纳米比亚驻华大使馆	深圳
	下午	参观中广核大亚湾核电站	中国广核集团、纳米比亚矿业与能源部、纳米比亚驻华大使馆	深圳
	下午	参观华为研发中心与智慧城市项目	华为技术有限公司	深圳
	晚间	中纳商务交流鸡尾酒会	中方接待方	深圳

第四天 7 月 8 日（周三）	时段	活动内容	主办方	地点
	上午	从深圳飞往成都	纳米比亚驻华大使馆	飞机 / 高铁
	上午	与四川省领导举行双边会谈	中方接待方、 纳米比亚驻华大使馆	成都
	下午	纳米比亚 — 成都农业主题午宴	中方接待方	成都
	下午	专题圆桌会议：农业、水利、农产品加工、旅游产业	纳米比亚驻华大使馆、 商会	成都
	晚间	从成都飞往北京	纳米比亚驻华大使馆	成都

Mission Itinerary : 06-10 July 2026

DAY 5	TIME	ACTIVITY	HOST	LOCATION
Thursday, 9 July 2026	Morning	Business-to-Business Meetings	Namibian Embassy	Beijing
	Morning	Seminar on Education & Creative Industries	Namibian Embassy	Beijing
	Afternoon	Namibia-China High-Level Trade & Investment Conference	Embassy, CCPIT, CBA Plus	Beijing
	Afternoon	Media Conference & Interviews	Embassy & Press Secretary	Beijing
	Evening	Discover and Experience Namibia Reception	Embassy & Partners	Beijing

NAMWATER | 国家水务公司

NamWater is Namibia's national bulk water utility and a strategic enabler of the country's economic development, supplying water to municipalities, industries, rural communities, and major mining operations across one of the world's most water-scarce regions. Through its extensive network of treatment facilities and pipelines, NamWater supports key sectors including mining, energy, manufacturing, and agriculture. The utility is actively advancing long-term water security through strategic infrastructure investments, including the Erongo SUNAM Desalination Project, developed in partnership with the mining sector. NamWater offers significant opportunities for collaboration in water infrastructure, desalination, resource management, and sustainable utility development.

Sector	Utilities
Region	Southern Africa
Country	Namibia

Namport is Namibia's national port authority and a strategic gateway connecting Southern Africa to global markets. Operating the Ports of Walvis Bay and L?deritz, Namport provides world-class maritime and logistics services, handling containerised, bulk, break-bulk, and liquid bulk cargo. Through well-established transport corridors, the ports offer efficient access to landlocked SADC countries, including Botswana, Zambia, Zimbabwe, and the Democratic Republic of Congo.

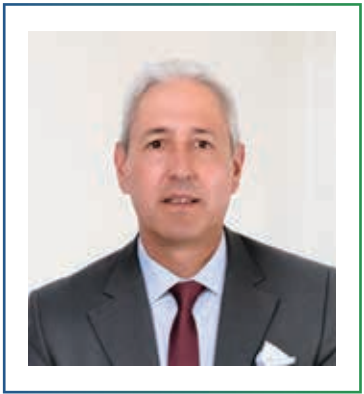

As Namibia advances its position as a regional logistics and industrial hub, Namport presents attractive opportunities for collaboration in port infrastructure, logistics, shipping, trade facilitation, and value-added industrial development, supporting regional integration and international commerce.

Embwinda Fishing (Pty) Ltd is a fishing company based in Walvis Bay. It operates five hake wet-fish trawlers and a fully integrated onshore processing facility that processes, freezes, and packages ex-vessel landings into fillets, prime-cut portions, skinless products, and supermarket-ready products.

In addition, the company operates ancillary services including jetty services, workshops, net repairs and stores, ice makers, refrigeration, and a cold store. The facility has a processing capacity of up to 10,000 mt of final product.

Final products are primarily marketed into European markets, with a significant share supplied to the regional SADC market, particularly South Africa. The company is also expanding into markets such as North Africa (Libya), Reunion Island, and Australia.

Sector	Fishing

Rössing Uranium is Namibia's oldest operating open-pit Uranium mine, with 50 years of responsible uranium mining. Rössing remains an established participant in Namibia's mining industry and a key contributor to the global nuclear energy supply.

In 2019, China National Uranium Corporation (CNUC) acquired a majority shareholding in Rössing, reinforcing the mine's long-term operational continuity and cementing its positioning within the international uranium market.

Rössing Uranium has a nameplate capacity of 4,500 tonnes of uranium oxide (U₃O₈) per year, making it one of the world's most significant uranium producers. In 2025, Namibia's uranium sector produced 13% of the world's total uranium oxide output, with Rössing accounting for 4% of global production.

The Namibia Revenue Agency (NamRA) is Namibia’s national tax and customs authority, established under the Namibia Revenue Agency Act, 2017 (Act No. 12 of 2017). As a semi-autonomous public institution, NamRA is responsible for revenue collection, customs administration, trade facilitation, and the enforcement of revenue laws on behalf of the State.

Since its establishment in 2021, NamRA has played a pivotal role in strengthening fiscal sustainability, improving taxpayer services, and enhancing the efficiency of cross-border trade. Through modernised customs systems, regulatory oversight, and trade facilitation initiatives, NamRA supports economic growth, investment, and Namibia’s position as a regional trade and logistics hub.

Swakop Uranium (Pty) Ltd is a specialist uranium joint-venture mining company with interests in Greenfield and Brownfield mining projects in emerging markets. It is anchored by China General Nuclear Power Group (90%), China’s biggest domestic nuclear power operator (>50% of domestic market) and the world’s largest nuclear power construction company and Epangelo Mining Company (10%), the Republic of Namibia’s state exploration and mining company.

Swakop Uranium (Pty) Ltd is the owner and operator of Husab Mine, the world’s third largest uranium producing mine and anchor of Namibia’s global position as third largest producer of Uranium. The Husab Mine represents a capital investment exceeding US\$5 billion (approximately N\$90 billion), making it Namibia’s largest post-independence investment and one of the largest Chinese investments on the African continent. Having achieved operational stability, the company singularly contributes approximately 4% to Namibia’s Gross Domestic Product and remains a major source of employment, procurement, exports and fiscal revenues.
